Victoria Ayala - Developer

Actions to Stop Doing

- n/a

Actions to Start Doing

- n/a

Actions to Keep Doing

- Updating the miro board frequently
- Updating each other on Discord frequently
- Merging code to main when tasks are fully completed
- Testing (manual + automated)
- Setting early sprint goals

Work Completed / Not Completed

Completed:

- User Stories:
 - Recommended Chores
 - created preset menu
 - Chores Due
 - added due date indication to chores to-do list
 - Toggle Rotation
 - toggle used to set data in backend
 - only clickable with edit perms
 - Member/Group Display
 - see number of members in each group
 - changed member display to show display names rather than usernames
 - Admin Edit Group Name
 - able to edit the names of a group
 - Manage Group Display
 - displays the permission that each group member has
 - Assignment Display Name
 - changed assignment name dropdown to display names rather than usernames
 - Admin Create Chores
 - adjusted the ui for ChoreDetails (editing and deleting chores) to depend on the user's permissions for a given chore
 - a user with admin/edit permission has full access
 - a user with view permissions is unable to edit, save, or delete the chore and is reflected in the ui
 - adjusted newChore to prevent a user without admin/edit permissions from creating a chore for that group
- Other:
 - error handling
 - for creating/renaming duplicate chores
 - for creating duplicate tasks
 - UI Fixes
 - groups, members, manage members
 - Implemented toast alerts to replace pop-ups
 - Fixed navigation to match other screens
 - Invitation bug fixes
 - Fixed inviting a user that doesn't exist

- Fixed invitation spam (can't invite if the invitee has a pending invitation from same group already)
- Backend Express routing test (Jest + Supertest)

Not Completed:

- User Stories:
 - Notifications
- Other:
 - fix bug that when logging out after accessing a screen, the sign-in page refreshes an extra time

Work Completion Rate

- 90% got 100% completed

Burn-Up Chart
